AV Surround Sound Amplifiers

T758V3i

7.1 AV Processor, 7 amplifier channels, 2 x 110W stereo, 5.1 + Z2, 7.1 and 5.1.2 Atmos, BluOS Built In, Dirac Live, Hi-Res 4K, MQA, AirPlay 2, R/C plus APP Control

38990 *

T778

11.1 AV Processor, 9 amplifier channels, 9 x 140W FTC, 7.1 + Z2, 7.1.4 Atmos, BluOS Built In, Dirac Live, Hi-Res 4K, MQA, AirPlay 2, Touchscreen, R/C plus APP Control

89990

MDC Modules to add features, enhance performance and newer technology to Stereo products and Accessory

HTR-10

Universal Learner R/C - Controls all NAD Products

2290 *

HDM-2

HDMI HD-Audio & 4K Video Module for models C368/C388/C390/M12/M32/M33 and older versions

6990 *

DSD USB

USB Audio 2 PCM and DSD playback module for M33, M32, M12, C368, C388 & C658

7490 *

MDC2 BluOS D

BluOS HD Audio streaming via Wi-fi/Ethernet and Dirac Room Correction for C379, C389, C399, C3050

9990 *

MDC Modules - Added features and enhanced performance for Surround Sound/AV products

BluOS AV

Wi-fi and Bluetooth interface required for the VM130i and VM310

5990 *

VM130i

BluOS Streaming, 4K @ 60 4:4:4, HDCP 2.2, Airplay 2 for T758, T757

7990 *

VM310

BluOS Streaming, 4K @ 60 4:4:4, HDCP 2.2, Airplay 2 for T187, T777/87, M15/7

15490 *

AM230

Atmos & Dirac Live, T757/T758/T187/T777/T787, with VM130i/310

11990 *

AM17

Atmos & Dirac Live, M15HD/M17, with VM310

Price

CI PA4-60 Power Amplifier

ETA October 2025

Multi-Room Audio and Surround channels
4 x 60W or 2 x 120W, 300W @ 4 ohms, 200W @ 8 ohms, Direct Digital Compact 1U height, 1/3 W design, Dynamic Power Management, Thermostatic cooling fans, units can be daisy chained up to 12 channels, 2 RCA inputs, gain controls, stereo/mono detection, 12V Trigger in/out, Single source plays across all channels.

NEW

19990

CI CS1 Single Streamer

ETA December 2025

BluOS Streamer, Compact 1U height, 1/3 W design.
Power via AC, POE & 12V DC, C4, Crestron, URC, Lutron driver support, 2 Independently volume controlled outputs from 1 stream, Dedicated streamer and bridge with cloud based sources, Analogue stereo, optical, Toslink, co-ax with Dolby inputs, Stereo RCA, optical and Subwoofer pre outs. Manage via Domotz

NEW

17990

CI SA2-120 Streaming Amplifier

ETA December 2025

Two-in-one body CS1 Single streamer and PA4-60 amplifier
Offers the same features and flexibility. Mount it to a wall or in a rack. The rack ears and all mounting items are supplied with the unit, Additionally the unit offers Bluetooth, AirPlay 2 and HDMI eARC

NEW

32990

CI 580V2 Four Zone Streamer Pre-amplifier

BluOS streaming and controller APP, 64 zones supported, Connect with other BluOS players, Ethernet connectivity, AirPlay 2, Spotify & Tidal connect, 1 Analog & 1 digital input, Add Bluesound HUB for more inputs if required, USB input

35990

CI 980 Multi-Channel Power Amplifier

8 x 50W, 4 x 120W bridge mode, 4 stereo RCA inputs with loop through, Global input/output, input gain adjust, Thermo fan cooling, Auto sense turn on and 12V trigger, 2U Rack height, rack ears included

38990

CI580V2 + CI980 Combo

Independent Four Zone Streaming plus amplification

69990

CI16-60 DSP Multi-Channel Network Amplifier

16 x 60W, 8 x 140W bridge mode, Ethernet IP control, custom web UI with I/O panel, 5 band parametric EQ with filters, 8 Stereo RCA inputs, dual global inputs/outputs, Thermo fan, Auto Sense turn on & Eco mode

68990

CI580V2 x 2 + CI16-60

Independent Eight Zone Streaming plus amplification

132990

CI8-120 DSP Multi-Channel Network Amplifier

8 x 120W, 4 x 200W bridged Power Amp
Configuration and functionality the same as CI 16-60 above

62990

CI8-150 DSP Multi-Channel Network Amplifier

8 x 150W, 4 x 280W bridged Power Amp
Configuration and functionality as per CI 16-60 above

MASTER Series - Hi-fi Stereo, Surround Sound

p4/4 Price

M10 V3 BluOS Streaming Amplifier

Wireless 4.0, 4.1 and 4.2 channel surround sound option
100W @ 8 ohms, 160W dynamic @ 8 ohms and 300W @ 4 ohms
32-bit/768kHz ESS Sabre DAC, MQA, colour LCD, Airplay 2 and
NFC Bluetooth, multi-room compatible, HDMI eARC, USB Type A
Stereo, MM phono, Coax/Optical inputs. Pre out plus 2 sub outputs,
BC1 R/C with Dirac filter control, Dirac Live built in

59900

M66 BluOS Streaming DAC-PREAMPLIFIER

Ethernet and Wi-Fi networking, BluOS built in,
ESS Sabre ES9038PRO DAC and ES9822PRO ADC chips,
Dynamic Digital Headroom circuit, MQA, Airplay 2, Dirac Live
including Bass Control, four balanced and four unbalanced sub pre
outs, high-end MM/MC Phono input, HDMI eARC, Multiple analog
and digital inputs, Dedicated headphone amplifier, 7" Touchscreen,
Two MDC slots, Premium IR R/C

125900

M23V2 Stereo Power Amplifier

ETA October 2025

Second-generation *HybridDigital Purifi Eigentakt (TM) technology*
2 x 200W @ 8 ohms, 2 x 380W into 4 ohms, bridged output 2 x
700W, Balanced XLR and RCA single-ended auto-sensing inputs
Three-position adjustable gain control, 12V trigger in/output,

99900

M33V2 BluOS DAC-AMPLIFIER

ETA October 2025

Second-generation *HybridDigital Purifi Eigentakt (TM) technology*
2 x 200W @ 8 ohms, Dynamic Power 550W into 4 ohms, SABRE
ES 9039 PRO DAC, Dirac Live Room Correction with full bandwidth
and bass control options, LCD display, 2-way Bluetooth, Dual band
Wi-fi, HDMI eARC, USB Type A, MM/MC Phono Input, Multiple Line
level, 2 optical, 2 coax, balanced XLR inputs, Balanced Pre-
out, Stereo RCA, Subwoofer outputs, IR input, 12V Trigger in, 2 x
12V trigger out.

139900

M17 V2i Surround Sound Preamp Processor

Fully Balanced outputs for all 11.1 channels, Differential DACs each,
2 MDC slots, 5 HDMI Inputs 4K, 2 HDMI outputs, Dolby Atmos, RS-
232 for Automation systems, Dirac Live Pro Full Frequency
Software and Microphone, BluOS HD-Audio streaming, USB input,
HMDI ARC

174900

M28 Seven Channel Power Amplifier

HybridDigital Purifi Eigentakt amplifier technology

7 x 200W all channels driven simultaneously, 700W Dynamic Power
@ 4 ohms, Fully balanced Audio inputs to match M17V2i, 12V
Trigger input
